Fair value of international economic law in globalization

On the role positioning and strategic selection of developing countries and China
Zhiyun Liu

Download PDF (350 KB) **1**

Abstract

With the fast growth of economic globalization in international economy, the liberalization-lawmaking has emerged, which resulted in a preliminary orderly mechanism in the global market, but fair value is lost in the rule making of international economic law, hence resulting crisis of legitimacy itself. For this subject, it is necessary to find out the theory of restructuring fair value in the dispute on the essence of justice within the contemporary theory of free capitalism, and the theory of Rawls' plural justice offers some hints. Of course, it is also quite basic for developing countries and China to anchor their roles properly and make strategic selections in restructuring fair value of international economic law.

Keywords
globalization – international economic law – theory of justice – strategic selection

摘要
随着经济全球化的迅猛发展, 国际经济领域掀起一股席卷各个层次、以自由化为中心的造法运动, 并初步构建出一个全球自由市场秩序体系。然而, 当前国际经济立法面临着公平价值缺失的困境, 并由此引发自身的合法性危机。鉴于此, 在当代自由主义理论内部对正义内涵的争论中, 寻找国际经济法的公平价值重构的理念成为必要, 罗尔斯的复数正义理论提供了某种启发。当然, 在国际经济法的公平价值重构中, 发展中国家及中国对自身的正确定位以及战略选择也是至关重要的。
